

What We Offer

1004 Herring Ave E
Wilson, NC 27893
252-293-4150
salliebhowardschool.com

The theatre arts program's vision is to develop students into well-trained performers in the different areas of theatre and lifelong learners with high critical thinking skills. The program's mission is to get students ready to audition for any theatre university.

Our high school will provide them with opportunities of performances, competitions, internships, and more to allow them to practice their craft and build their resume.

The Theatre Department will offer two majoring tracks: Acting and Musical Theatre. On top of that every actor will get training and practice in technical theatre.

Course Work And Projects

To remain in good standing, student actors will complete each of their theatre courses with a "B" as a final semester grade or higher. By the end of the program, students will leave with a digital portfolio, photographs and a resume to go to the next level.

Students will receive ongoing assessments. By the end of first semester students will have a personal conference to discuss progress and areas of improvement.

At the end of 10th grade faculty will conduct juries to determine if student will continue to the next level.
